SUGGESTIONS AND BUSINESS IMPROVEMENTS

- Focus more marketing and inventory on **Branch A** since it generates the highest revenue.
- Introduce loyalty offers and personalized discounts to increase **Member customer spending**.
- Promote products preferred by each gender using targeted campaigns.
- Increase stock and visibility of **Fashion Accessories** and **Home & Lifestyle** products because they contribute major revenue.
- Encourage digital payments further with cashback or rewards on **Credit Card** and **E-wallet** transactions.
- Create combo offers for high-selling categories like **Electronic Accessories** and **Food & Beverages** to boost sales further.
